Expanding Health & Biotechnology Horizons

About Us

Welcome to Riyazul Janna Regional Health & Biotechnology Co. Ltd, where we proudly serve as your dedicated provider at the forefront of biotech innovation. Our primary mission is to bridge the gap between researchers, scientists, and the cutting-edge advancements in biotechnology. As provider, we play a pivotal role in ensuring that high-quality products and services from esteemed industry leaders reach those who are pushing the boundaries of scientific discovery.

Core Values

1. **Integrity** – Upholding honesty and transparency in all actions, from product sourcing to customer service.
2. **Quality** – Ensuring that every product meets or exceeds industry standards.
3. **Safety** – Prioritizing the safety of both end-users and healthcare providers.
4. **Compassion** – Demonstrating empathy and a deep care for patient well-being.
5. **Innovation** – Continuously improving products and services to meet the evolving needs of the healthcare sector.

Vision

To be a global leader in providing innovative, reliable, and high-quality medical supplies that enhance patient care, empower healthcare professionals, and contribute to healthier communities worldwide.

Mission

To deliver high-quality, innovative, and affordable medical supplies that support healthcare professionals and improve patient outcomes. We are dedicated to ensuring reliability, safety, and excellence in every product we offer, while fostering lasting partnerships with healthcare providers to advance the well-being of individuals and communities.

RIYAZUL JANNA REGIONAL HEALTH & BIOTECHNOLOGY CO. LIMITED (Kenya) is a joint venture/ collaboration between SYD Biotechnologies PTY LTD (Australia) and ORIGIN Diagnostics and Research (India) for a joint effort in biotech manufacturing, OEM product development, and research.

Purpose:

The MoU sets the foundation for the Parties to explore opportunities in biotech manufacturing, product development, and commercialization. It serves as a non-binding agreement to initiate discussions, with detailed projects and financials outlined in separate Specific Agreements.

Scope of Collaboration:

The Parties agree to focus on:

- Research and Publications
- Product Development
- Product Commercialization
- Other mutually agreed activities

Confidentiality:

All information shared between the parties will be treated with the utmost confidentiality, and no details will be disclosed without permission. This ensures trust and protects each party's intellectual property and business interests.

Indemnity:

Each party agrees to protect the other from any claims or damages arising from wrong actions, except in cases of negligence or intentional misconduct.

Intellectual Property:

Each party will retain ownership of its pre-existing intellectual property. Any new innovations resulting from the collaboration will be co-owned, with details to be agreed upon in later agreements.

Term and Termination:

This MoU will last for three years, starting January 1, 2024. It may be renewed by mutual agreement. Either party can end the MoU with one month's notice, but any ongoing projects will continue as planned until they are completed.

By signing this MoU, SYD, ORIGIN, and Riyazul Janna commit to working together to bring innovative biotech solutions to the global market, fostering growth and progress in research and healthcare.
